MARIMBA

Important!
Always have an adult help you!

What you’ll need:
- 12 small boards
- hammer & nails
- saw
- string or fishing line
- 2 small sticks or mallets

1. Organize your materials
2. Lay two boards on the ground about 1/2 meter apart
3. Then, lay one board across the top, and one across the bottom of the bottom boards to create a rectangle frame
4. Carefully pound one nail in each end of top boards into the bottom boards
5. Lay one layer of additional top boards vertically across the rectangle frame, paced evenly.
6. Finally, use string or fishing line to tie down the top boards to the rectangle frame

Use sticks or mallets to strike notes! Have fun!
